Please indicate: I would like to receive the BWMCA Newsletter as Printed or Electronic

As you most probably know, BWMCA manages or supports a number of important community buildings and facilities, including the War Memorial Community Hall, Old Post Office and Pioneer Cottage and, throughout the year, organises and conducts a range of community events.

These include: Australia Celebrations [Parade]; Anzac Day; Carols On Buderim; Remembrance Day; Welcome To Buderim and the Community Information Centre [Old Post Office].

Since BWMCA is primarily an organisation of Volunteers, everything that BWMCA does and achieves depends on the contribution from, literally, hundreds of Volunteers.

If you are already involved and contributing, that's great. If you are able to consider further contribution of your time, knowledge, experience and capability, please let us know.

Do tell us if you have a particular interest in one or more of the major Sub-Committees or Project Groups below.
